Eleanor Parkhurst is determined to get in the way of bad boy Nathaniel Naverly seducing her sweet cousin Rose. Getting Nate to switch his attention to her seemed like a good plan, but Ellie didn't foresee that she might have to protect her own heart from his schemes as well. The game is proving a challenge. Midnight meetings, fighting or kissing, it's all part of the fun of flirting. Set in an English boarding school, Ellie discovers that boys are more complicated than classes, and you have to play the game well or you might just get played!
