Yearning: Race, Gender, and Cultural Politics bell hooks

For bell hooks, the best cultural criticism sees no need to separate politics from the pleasure of reading. *Yearning* collects together some of hooks's classic and early pieces of cultural criticism from the '80s. Addressing topics like pedagogy, postmodernism, and politics, hooks examines a variety of cultural artifacts, from Spike Lee's film *Do the Right Thing* and Wim Wenders's film *Wings of Desire* to the writings of Zora Neale Hurston and Toni Morrison. The result is a poignant collection of essays which, like all of hooks's work, is above all else concerned with transforming oppressive structures of domination.
