In the tradition of the bestselling Buffy Watcher's Guides, this is the official companion to the cult hit show, complete with exclusive interviews and 32 pages of full colour photos. This is the book that Angel fans have been waiting for: the first two seasons covered in fact-packed detail, with episode guides, behind-the-scenes secrets, interviews, quotes and profiles of characters, cast and crew. In a similar format to the much-praised Buffy the Vampire Slayer Watcher's Guides, The Angel Casefiles has some unique features of its own, with information arranged in the style of a case file from Angel Investigations and an exclusive introduction from series producer and scriptwriter Tim Minnear. With its darker adult tone and its themes of the lost and the dispossessed, Angel has firmly established an identity of its own. Now this essential guide enables viewers to follow their favourite vampire every step of the way on his sometimes rocky but always adventurous road to redemption.
