A Dream is an event that takes place in the spiritual realm when you sleep. A dream is also God's way of communicating with us. And the truth is that the devil also speaks to us in dreams. So dreams are useful for both God and the devil to show you what is about to happen. The very essence of a dream is that God uses it as a medium to reveal a secret thing to us. In reality, most of the major events that occurred in the Bible were first revealed through dreams that the Spirit of God gave His people. I want to tell you today that you can stay clear of your dream world being interrupted by the devil, and getting unworthy dreams by simply praying before you go to sleep; command only dreams from God.
