A Companion to V. J. Kerry Grant

To the uninitiated, Thomas Pynchon's *V.* seems to defy comprehension with its open-ended and fragmented narrative, huge cast of characters (some 150 of them), and wide range of often obscure references. J. Kerry Grant's *Companion to "V."* takes us through the novel chapter by chapter, breaking through its daunting surface by summarizing events and clarifying Pynchon's many allusions. The *Companion* draws extensively from existing critical and explicative work on *V.* to suggest the range of interpretations that the novel can support.

The hundreds of notes that comprise the *Companion* are keyed to the three most widely cited editions of *V.* Most notes are interpretive, but some also provide historical and cultural contexts or help to resurrect other nuances of meaning. Because it does not constitute a particular "reading" of, or "take" on, the novel, the *Companion* will appeal to a wide range of users. Rather than attempting to make final sense of the novel, the *Companion* exposes and demystifies Pynchon's intent to play with our conventional attitudes about fiction.

From reader reviews:

Betty Adkins:

People live in this new morning of lifestyle always attempt to and must have the free time or they will get great deal of stress from both everyday life and work. So , whenever we ask do people have free time, we will say absolutely indeed. People is human not a robot. Then we consult again, what kind of activity do you have when the spare time coming to you actually of course your answer will unlimited right. Then ever try this one, reading books. It can be your alternative within spending your spare time, the actual book you have read is actually A Companion to V..

Wendy Poston:

Playing with family in a park, coming to see the sea world or hanging out with good friends is thing that usually you might have done when you have spare time, and then why you don't try point that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love A Companion to V., it is possible to enjoy both. It is excellent combination right, you still desire to miss it? What kind of hang-out type is it? Oh can happen its mind hangout folks. What? Still don't get it, oh come on its named reading friends.

Karen Strange:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this A Companion to V. can make you really feel more interested to read.

Irene Navarro:

Some people said that they feel uninterested when they reading a guide. They are directly felt the item when they get a half parts of the book. You can choose often the book A Companion to V. to make your personal reading is interesting. Your own personal skill of reading proficiency is developing when you including reading. Try to choose simple book to make you enjoy to read it and mingle the feeling about book and studying especially. It is to be initially opinion for you to like to open up a book and go through it. Beside that the book A Companion to V. can to be your brand new friend when you're experience alone and confuse in what must you're doing of that time.
