Real Christianity: Discerning True Faith from False Beliefs (Victor Classics) William Wilberforce

William Wilberforce (1759-1833) came from a prosperous merchant family. A politician by age 21, his early years were relatively unremarkable, but his conversion to Christianity in 1785 soon changed that.

Wilberforce committed himself to two ambitious callings: rousing professing Christians to understand the nature of true faith, and bringing about the end of slavery in England's colonies. *Real Christianity* challenged the ruling classes of early 19th Century England more than any other writings. To this day, *Real Christianity* remains a compelling work that soundly teaches the tenets of evangelical faith and stirs the consciences of Christians.

Edited by Dr. James M. Houston
